Cambridge Md.

Dear Harvey:

I received your letter. It is very nice to know you are planning to get married, but I do not see why that should keep you from playing ball. That is if you want to play. Most of the boys are married, and have their wives with them. It may be that your intended wife does not like the idea of leaving home, but the baseball season now would be a sort of honeymoon.

However if you do not want to come back now, I would like to get you to play with the team this coming Sunday July 4th in Washington at Griffith Stadium. We are playing The Grays a doubleheader, 1st game 2PM, and the next day we play in Newark. If you can join us for these games it would be a big help. I will give you \$10.00 each day plus your expenses. You could also get the truss then if you want it.

If you can meet us in Washington wire me collect so I will be expecting you.

Very Truly Yours
